

## Printing instructions for the Canadian Sleep Society brochures

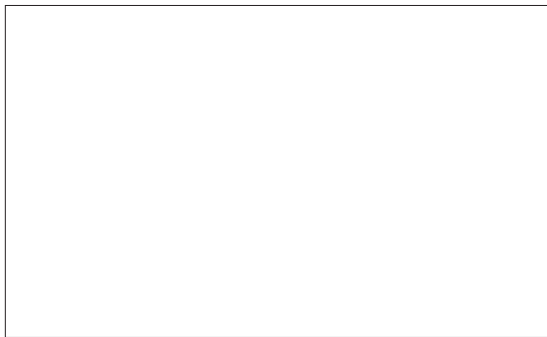

### STEP 1

- Print PDF document - 2 sides

Be sure to have the proper print settings in order to do so (fit to page, correct margins etc...)

- For optimal results, use flat matte finish, heavy weight or acid-free paper.

Paper needs to be specifically for color printing.

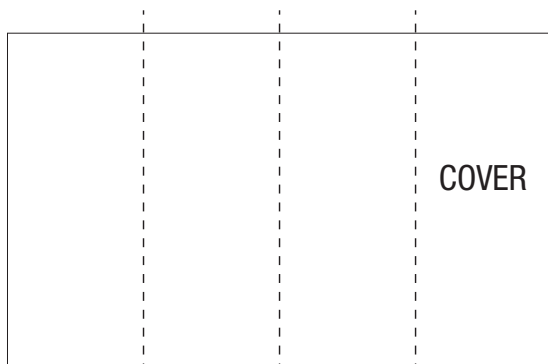

14" x 8.5"

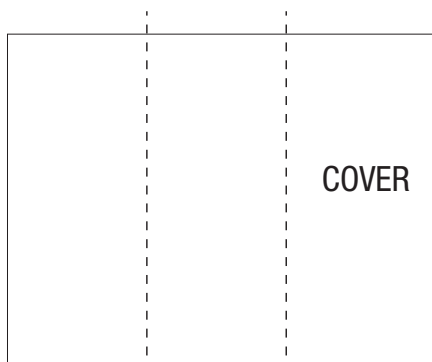

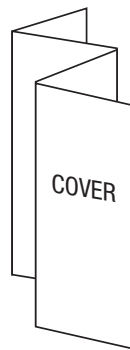

11" x 8.5"

### STEP 2

- Fold paper as shown to create the brochure

14" x 8.5"

11" x 8.5"
