

SLEEP IS IMPORTANT DURING COVID-19

Go from surviving to thriving by
improving your child's sleep

Insomnia is categorized by:

Resisting
bedtime

Trouble
Falling Sleep

Night
Awakenings

Waking too
Early

Even a little sleep loss can lead to big problems.
It can make it harder for your child to:

Sound familiar?
Consider
participating in our
sleep study!

- learn
- control their emotions
- control their behaviour
- be physically active
- make healthy eating choices
- play safely

Better Nights, Better Days
is an online program that provides
accessible, evidence-based treatment
for children ages 1-10 years old

Distance Treatment Program

The online program is fully accessible from computers, laptops, tablets or smartphones

Save Time and Money

All information and materials are provided online – no need to travel to appointments!

Support from Start to Finish

Built-in support and program tools will guide and motivate you as you complete the program

Empower Parents

The program is designed to empower you to improve your child's sleep on your own. You can rest assured that the information and support you require is at your fingertips
